School Fete

Gilgandra Public School held their first fete in a number of years on Friday 15th November. The twilight fete was a great success thanks to a small but dedicated band of P&C ladies who have worked tirelessly for the past six months organising the event. The P&C Committee ladies were Chantel Chandler, Kylie Briggs, Amanda Chalker, Anneke Aro, Amanda Bunter, Libby Carr and Tammy Smith. On behalf of the Gilgandra Public School staff and students I would personally like to thank the P&C Committee, all the community members who assisted with the setting up and dismantling of displays and stalls, the Gilgandra businesses who donated to our mega raffle, the performers who entertained the crowd and the Gilgandra Community for supporting our school. We greatly appreciate each and every one for their efforts.

Congratulations

On Friday 15th November Gilgandra Public School SRC presented a cheque to the value of \$600 to Mr Doug Diggs for the life size bronze sculpture of the "Cooee Call to Arms" by Gilgandra artist Brett Garling which will be erected to commemorate the 100 year anniversary of the Cooee March. The SRC supported by Mrs Caton over the past few weeks raised the money by holding soda stream days, out of uniform days as well as a Wacky hair Melbourne Cup event. A big thank you to Mrs Caton and the SRC for their fund-raising efforts.

Library Borrowing - Finished for the Year

As we come closer to the end of the school year we need to stop borrowing. We ask all students to return their books. It is also very important for our Year 6 students and those children who may be leaving so that other students still at this school have access to our great library books in the future.

If there has been an accident to the books and you can't return them, the school requests that you pay \$5 towards their replacement. Please pay this at the office and you will receive a receipt.

Morocco

On 13.11.2013 Emma Bunter and Tyler Edwards both received awards from Macquarie CWA group, Emma received first prize for her book on Morocco while Tyler received Highly Commended with his poster on Morocco. Emma will now go onto the next level which is State. Congratulations to Emma and Tyler.

Maths at home

Kids' early experiences with measurement are often based on watching their parents. Seeing mum or dad measure and pour ingredients for a recipe or weigh items at the fruit shop will often become part of their play.
