Student Representative Council (SRC) 2020

2020 SRC (Captains and Prefects) speeches will be delivered at this Friday's (29 November) assembly to the school and staff before voting. Voting is restricted to Year 2 to Year 5 students and staff to determine the outcome of the elections.

Emergency Procedures

The Department of Education (DoE) require schools to undertake a mock exercise of their Emergency procedures every six months to ensure we are all aware of the requirements for staff, visitors and students. Due to the heat and smoke last week the exercise was delayed until Week 7 as per instructions from the department to limit outside activities. If your child talks about the mock exercise please reassure them that it was a drill and DoE require us to undertake the training. The school will also reinforce this message.

Cooler Classrooms

Gilgandra Public School will have new air conditioner units installed under the Cooler Classroom Strategy after the tender process was completed last Friday with the Department of Education. The School will have the successful tender commence work through the holidays to complete the outside work of digging trenches, laying pipes etc. The interior work will commence following this. Gilgandra Public School looks forward to having new air conditioners in 2020.

Administration of Medication

Due to the Department's Health and Safety regulations, when the school has been requested to provide medication at school there is a form that needs to be completed. This includes Short Term medication, eg antibiotics. If your child requires medication at school, please ensure you bring it to the front office and complete the required form. This needs to be done prior to staff administering any medication. If you have any questions regarding this procedure please contact us.

FOR YOUR DIARY

2019

Nov

Fri 29 Captain/Prefect Speeches - Assembly 12 noon
