25th March, 2019

Dear Parents/Caregivers,

1/2 Moonstones have been hard at work this term and have been recognised for this by achieving their 10 Lion heads needed for a whole class celebration.

We have been reading 'Matilda' by Roald Dahl as a class book each day, and we decided that it would be fun to watch the movie Matilda, while we enjoy a cold drink and some popcorn!

This will be happening next **Thursday 28th of March**, during our middle session from **12:00 until 1:45**. Students will have a drink and popcorn supplied, so they will not need to bring in anything to eat. If they would like to bring in a small pillow or cushion to make themselves comfy for the movie viewing that will be fantastic!

I am extremely happy to be a part of such a wonderful class of students. What a fabulous year 2019 is going to be!

Thanking you kindly,

Kristy Bartholomew
