Year 6 Shirts

Dear Parents/Caregivers

Students in Year 6 have been given the opportunity to purchase a customised Year 6 polo shirt. The first step of this process was to choose a preferred design. Most of the Year 6 students voted for the design shown below. The design includes the school logo, the names of each Year 6 student written on the back of the shirt, and the pattern shown below in the school colours.

The cost of the shirt will be **\$35 per shirt**.

An order form has been placed on the bottom of this letter. Please return the completed order form with payment of \$35 by Friday 12th April 2019 in order to secure a shirt. The order will be placed soon after this date, so please take care to ensure that order forms and payments are returned on time.

The company designing the shirts are the same company the school uses for the school uniform so ensure you check sizing before ordering.

Thank you,

Fay Goodwin
Teacher
