Paint Australia REaD Book Relay- Gilgandra

The Paint Australia REaD Book Relay began in Perth on 20 March, and will finish in Wollongong on 22 May (National Simultaneous Storytime). Based on the concept of the Olympic Torch Relay, a small team of volunteers are travelling across Australia, stopping at communities enroute, to celebrate with them the importance of reading with their babies from pre-birth.

Please come to help us celebrate and remind everyone of the importance of reading.

5/6 Diamonds and 5/6 Sapphires will walk to Gilgandra Shire Library on Monday 13th May at 10.40am to attend the celebration of reading. We will be wearing school uniform on this day. Students will return to school at approximately 11.40 for lunch.

We understand the importance of reading and are excited to help spread the word.
