**Wiradjuri Learning:** Winter is a very important time for Country and making sure there is enough food for everyone. For Wiradjuri, winter is a time for fire and regeneration. Join us at the Zoo and learn about the oldest existing culture through stories, song, dance and the animals that are so significant.

**Eggstraordinary Day:** What can come in every colour, be hard or soft, short or tall – but round... all round? Get ready to EGGsplore the fascinating world of life inside an egg. Learn EGGstraordinary facts about animals that develop inside an egg and observe the wild animal they become!
