Extra Information

WEATHER –extreme weather could lead to postponement, change of venue or cancellation. The school will make provision for possible changes or refunds if required.

CLOTHING – Students **do not** have to wear school uniform on either day. It is very important that students wear and pack appropriate clothing for both days. For example, singlet tops are not a suitable option.

Students will need to wear a hat, closed in shoes and apply sunscreen regularly throughout the day. Insect repellent may be needed.

Please label the student's name on everything that is packed for the excursion.

MONEY - Students may bring some money to purchase a souvenir if available. All money must be put in an envelope or snap lock bag, labelled and given to **their teacher** Thursday morning. There will be no other opportunities to visit shops on this excursion. Please limit spending money to less than \$20.

MEDICATION - Students who require medication while on the excursion must bring the required dose to school Thursday morning and give it to **Ms Williams**. All medication must be clearly labelled with the student's name, name of medications and instructions and kept securely in an envelope or snap lock bag. Students who require an asthma puffer, please ensure it is packed and labelled with their name and kept with the student at all times.

TECHNOLOGY - Mobile phones, iPods, iPads, tablets and any other electronic devices are **not permitted** on this excursion.

Please complete the following Medical/Dietary and Contact Information below and return by Monday 23rd September (All students dietary requirements are required by this date to ensure they are catered for).
