Preparation For Year 6 End Of Year

Dear Year 6 Students, Parents and Carers,

The process has begun in the creation of the Year 6 video that highlights the student's journey of growing up so far.

Please provide 2 photos of your child to be included at the Year 6 Farewell and on our school Facebook page. Please note that only one of these may be used in the creative process.

- Baby photos are ideal or a toddler photo
- Photo of your child before they started school.

If you don't have either of these, we can work with any photo you can provide of your child at a young age.

Options

- Bring in photo – we will scan and return on the same day
- Email high resolution photo to kylie.briggs11@det.nsw.edu.au

Tips

- Original printed photos either sent in, scanned or a high-resolution digital photo are preferred.
- Taking photos from Facebook will reduce the quality of the photo, avoid if possible
- If your only photos are damaged slightly, still send them in we may be able to repair digitally.

Photos to be in by Friday 6th September
