**22nd October, 2019**

**U – Rippa**  
**More than a water safety program**

Students in years 5 and 6 have been invited by Gilgandra Amateur Swim Club to participate in the U-Rippa program on Monday 28<sup>th</sup> October, 2019 at the town pool.

The program has been established to educate children on water safety and initial response when playing in and around bodies of water. Students will be given the opportunity to move in a simulated rip and snorkel activities. More information on the program can be found on the website <https://www.u-rippa.com.au>. We are privileged to have Scott come to Gilgandra to present the program at no cost to families.

Students are asked to come prepared with their swimmers, towel, sunscreen and drink bottle on Monday. They will work in small groups, some in the pool and others on the bank. Students will be at the pool for two hours. All students will be supervised and non-swimmers will be catered for in the shallow water.

If you do not wish for your child to attend please contact the school.

Kind Regards,
