

Dear parents/caregivers,

As part of the Science unit, Technology in Food and Fibre Production, the below classes will be eating pancakes. If you have any concerns please contact me at the school.

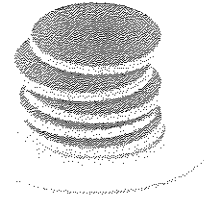

3 Builders

3/4 Adventurers

4/5 Harry Potter

MC2 Two Moons.

Amanda Bunter– Science Teacher (26.10.20)

Dear parent/caregiver,

Goosebumps and Wonders will participate in FEAST, as part of their Science unit, during Term 4. The lessons cover nutritional knowledge, food waste prevention, healthy eating and the preparation and cooking of food. If you have not notified the school of your child's food allergies please contact me at the school.
