8th February, 2021

Dear Parents/Caregivers,

Tomorrow morning 9th February and possibly next Tuesday 16th February Narnia will be participating in painting a large mural that will become a Welcome sign as part of the Gilgandra main street beautification. Gale Naden has been commissioned to paint this sign and our class has been asked to help in the painting process. We will be painting off site and will return back to school before lunch. If it is possible could you please send in a paint shirt so that we can keep our uniforms clean - just an old shirt to go over the uniform will do the trick.

Thank you,

Renee Cohen
Classroom Teacher
