Dear Parents/Caregivers,

As part of learning outlined in the English Syllabus, students this term will be learning about and practising their speaking and listening skills. Each week, students will have the opportunity to present to the class a short speech around a particular topic.

Students will be focussing and assessed on the following presentation skills:

- Voice projection
- Expression
- Eye contact
- Fluency and clarity
- Body movement
- Engagement

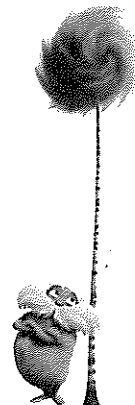

**It is an expectation that your child will present each week.** Students for homework, will be preparing their speech for the following weeks news session.

Students will be asked to speak for 90 seconds to 2 minutes on the topic for the week (see back for topics). They are allowed to bring in props if appropriate.

Thank you for encouraging your child with their homework and not completing it for them.

Yours sincerely,

Mia Williams  
Classroom Teacher
