

## Parent Information Evening – Parents of Year 7 2022

The Year Advisor (Mr Wilson) and staff of Gilgandra High School are inviting all parents and carers of Year 7 students attending Gilgandra High School in 2022 to a meet and greet, and information evening:

**When:** Thursday 2<sup>nd</sup> December 2021

**Where:** Gilgandra High School, (grassed area in Quadrangle)

**What time:** 6:00pm – 7:00pm

**What's involved?** This gathering will inform new students and their families about school life at Gilgandra High School. We will provide information about all aspects of our school systems and key developments at our school to ensure your student gains the most opportunity from their high school years.

You will also have the opportunity to meet key staff members who will be assisting students in their high school journey, as well as experience a tour of our school, its classrooms and facilities.

Every new student will also receive a special 'Welcome to GHS' carry bag containing information about starting high school, bell times, timetable information, staffing and school personnel as well as a school map to enhance your child's knowledge of the school. The opportunity to purchase school uniform is available Monday to Friday, 9am to 2:30pm. Eftpos is available.

The Year 7 Class of 2022 will be provided outstanding opportunities to engage in the wide variety of extra-curricular activities including sporting and cultural excursions, music, agriculture, creative arts, science and technology-based activities, which both inspire and stimulate their learning potential at GHS.

Gilgandra High School holds a strong tradition of academic success with opportunities for students to excel in the English, Science and Mathematics based subjects via state wide competitions and challenges, essentially covering all the bases for your child's academic success, whichever pathway to employment they choose.

We are looking forward to seeing everyone at this information night and welcoming you and your children to the GHS family. Please note that it is a Department of Education requirement that all visitors to the school are to be COVID double-vaccinated.

Regards,

Tony Wilson  
Year 7 Advisor

Erica Burge  
Principal (Rlg)
