9 August 2022

Dear Parents and Carers,

Year 4/5 Wizards have earned 10 Class Lion Heads. To reward the students for this outstanding effort, we will be having a class party on Friday 12th August.

Technology Party

Students will be able to bring in a personal device to play on during the afternoon session. The devices will need to be brought into the classroom in the morning and will be put away in a lockable cupboard until the party. Students who do not want to bring in a device can use their school laptop. A G rated movie will be also put on for students to watch if they wish.

Devices need to be charged fully as we are unable to recharge them at school. Students will only be allowed to access games that have been pre-downloaded as they will not be able to connect to the school's Wi-Fi. Students will not have access to social media sites including YouTube and Tik Toc whilst at school. This is to ensure student safety whilst online.

The students should be applauded for their efforts so far year and have thoroughly deserved this reward.

Yours Sincerely,

Amber Benson
Classroom Teacher
