18th October 2022

Dear Parents and Carers,

Year 4/5 Wizards have earned another 10 Class Lion Heads. To reward the students for this outstanding effort, we will be having a class party this Wednesday the 19th of October.

In the morning session, students will have the option of eating snacks in class. A G-rated movie will be put on the screen, and students will be allowed to choose some board games to play.

All students should be applauded for their efforts throughout the year. They have thoroughly deserved this reward.

Kind regards,

Miss Amber Benson
Classroom Teacher
