28th February 2024

Dear Parents, Families, and Caregivers,

Gilgandra Public School staff are committed to improving the learning outcomes of all our students by providing quality teaching and learning programs that are supported by evidence-based research on best teaching practice.

To strengthen our home-school partnership, on Wednesday the 13th of March 2024, Gilgandra Public School will be hosting a 3-way conference afternoon/evening, commencing at 3:30pm. Classroom teachers will meet with all parents and students to acknowledge students interests and strengths and develop a personalised learning pathway (PLP) tailored to meeting specific learning goals for students.

3 Way conferences are a valuable avenue for involving parents and students in the learning process and helping parents understand the teaching, learning, assessment, and reporting process. Each conference will take 10 minutes and families and students are encouraged to ask questions along the way.

A BBQ will be provided for you to enjoy and a lucky door prize will be entered for all those who attend. This will be drawn on the Friday assembly!

We are very much looking forward to hosting this event for our school community and look forward to seeing you here. Please ensure you fill out a time slot that would suit you and your family to come in for a yarn.

Yours Sincerely,

Michael Darcy and Gilgandra Public School staff
