1/02/24

Dear Parents and Guardians of Year 2/3 Chipmunks,

Welcome to an exciting school year! I am thrilled to be your child's teacher and to work with this wonderful class of 21 agile, resourceful, and charming students. Together, we will set and achieve meaningful goals in 2024.

This year marks a shift for me into the infants from Stage 3 in the primary. As a mother of three children with nearly 20 years of teaching experience in various positions, I bring a wealth of knowledge and enthusiasm to the classroom. Growing up locally and marrying a local farmer keeps me busy and deeply connected to our community.

Mrs. Michelle Leven, SLSO, will be supporting the 2/3 Chipmunks this year, working closely with individual students and class groups daily. With her extensive experience, she has already worked with some of your children and will play a key role in supporting their learning journey.

Each week, your child will engage in compulsory subjects, including:

Science with Mrs. Amanda Bunter on Thursday's at 2:30-3:15pm.

Digital Technology/Library with Ms. Chantel Chandler on Monday's at 11:45-12:45pm

Cultural Studies with Fay Goodwin on Wednesday's at 11:45-12:45pm

These subjects provide a well-rounded education, fostering both academic and personal growth. Additionally, your child will participate in Scripture, Sports, and Assembly weekly. (Scripture times to be advised).

I look forward to an enriching and successful school year. Please feel free to reach out if you have any questions or concerns. Let's make this a year of growth, learning, and joy for our Chipmunks!

Warm regards,

Amy Spora

Year 2/3 Chipmunks Teacher
