7/2/24

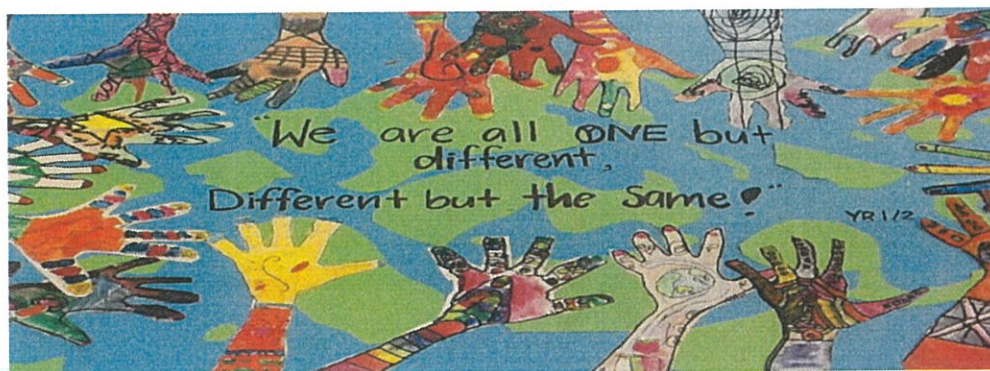

Dear Parents, Caregivers,

Welcome to another exciting year of learning and friendship at Gilgandra Public School.

My name is Faye Goodwin and I will be teaching Cultural Studies this year. I am excited to be taking your child on a journey around the world in our lessons throughout the year, guiding them through new knowledge and understanding of cultural diversity. We will engage students in learning about cultural customs in Art, Music, literature, and explore how cultures around the world are similar, and or different to our lives in Australia.

Individual class Student Learning Support Officers and our schools A.E.O, David Smith, will be assisting throughout all Cultural lessons, and classes will be delivered on a Tuesday, Wednesday, or Thursday.

I am looking forward to an amazing, enjoyable year filled with positivity, fun and learning.

Yours sincerely,

Faye Goodwin

Cultural Studies Teacher
