A special invitation to Grandparents, Families and Carers,

Gilgandra Public School will be celebrating Senior Citizen's Week with a Grandparent's Day performance and picnic lunch!

We would love to show our appreciation to all our special grandparents and extend an invitation for all families to visit our school.

Wednesday 20th March, 10.30am School Hall

A picnic lunch with children, families, students and staff will follow our assembly. Students will return to normal classes from 12pm. Please bring along your own lunch to share with your children/grandchildren after their performances. We will have some picnic rugs available along with our outdoor tables and chairs.

We are very much looking forward to seeing all your happy faces next week.

Yours kindly,

Michael Darcy
Principal
