Year 6 2024

Dear Parents/Caregivers,

Students in Year 5 have been given the opportunity to purchase a customised Year 6 polo shirt for 2024. The first step in this process was to choose a preferred design. This was put to a vote last week and Year 5 students voted for the design shown below. The design includes the school logo, the names of each current Year 5 student written on the back, the school's name written on the collar and the pattern shown below in the school colours.

The cost of the shirt will be \$33 per student size shirt.

An order form has been included with this letter. Please return the completed order form below with payment by the end of the year to secure a shirt. Payment can be made online via our school website, cash, or EFTPOS at the front office.
