29/7/24

Dear Parents/ Caregivers,

Congratulations, Kindergarten! We have all been at school for 100 days and now it is time to celebrate!

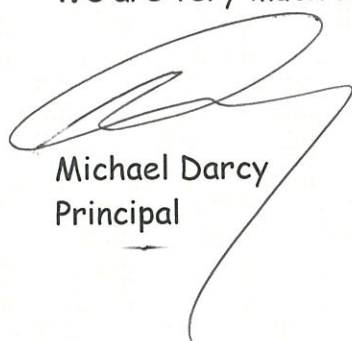

When: Friday, 2nd August 2024

This year, we invite students to come dressed out of school uniform for the day. We have had special '100 days of school' T-shirts printed for the students to receive and wear on the day.

During the day we will participate in some fun activities with our buddies and have a high tea for lunch.

We would like to invite all families to the assembly at 12:15, for our certificates and presentation item.

We are very much looking forward to a fun day of celebrations.
