4th March 2025

Dear Parents and Carers,

This message is to provide information about our school's operations on Thursday the 6th of March 2025.

To allow as many staff as possible to attend Mr McCutcheon's Memorial service, the school will operate under minimal supervision.

Students who want to attend the memorial service will need to be accompanied by their parent/ carer. This is important so that you can provide your child with emotional support through a very sad occasion. Before attending, please also speak with you child about what to expect. Students may choose to wear school uniform.

The school will not be arranging transport or providing supervision for students attending the memorial service.

Students who attend school will complete learning activities; however, an alternate timetable will be in place.

Thank you for your understanding at this difficult time for Mr McCutcheon's family, friends and the Gilgandra Primary School community.
