

Hello!

I am your child's Blue Bag. I will be super helpful this year in keeping you up to date in relation to your child's learning as well as any important school events and information.

I will come home with your child every afternoon carrying any new notes or communication as well as homework and home reading.

Please remember to send me back to school each day. I'd hate to miss out on all the fun! I have a special tub that you can put me in when you arrive at school, so I don't miss any important notes or homework.

I am also a responsible accessory, so if you need to send a note to your child's teacher, I will carry it to class for you.

I'm looking forward to joining your learning journey this year.

Sincerely,

Your Child's Blue Bag.
