

Positive reinforcements and rewards

A whole school approach is adopted by our school to encourage positive behaviour and a safe, peaceful and respectful school climate. The school mascot, a lion, which represents pride in our school is the basis for our rewards

Our school implements the following reward system.

*** Verbal praise and positive recognition**

*** Lion Tokens** - Presented to an individual for following the safe and respectful expectations.

These tokens are kept in the classroom. They are saved on the sheet to earn levels.

- Level 1- 50 tokens
- Level 2- 100 tokens
- Level 3- 150 tokens
- Level 4- 200 tokens

Level awards are presented at Friday assembly. At the end of each term, students who have progressed to the next level will receive a reward.

***Assembly Awards** are presented to students each week at the Friday assembly. These can be given for commitment, excellence or improvement to academic expectations. These awards earn students 5 lion tokens.

***Lion Head - whole class reward**

When classes work together as safe, respectful learners, they are eligible to receive a lion head. These are awarded to a class by any teacher who observes the whole class following a PBL expectation.

When a class achieves 10 Lion Heads they are able to have a class party.
